LIVRE D'OR

Dear Françoise & Michel,

May 22nd → 29th
2006

We are sad to be leaving Charmelieu. Everything about it was 'charming' and gave us a small taste of being French. It's so romantic and storybook. We loved the walks up the hillside - fresh bread every morning - dinner on the patio. It was all very special, like the town of Meursault, and the people we met. Beautiful people with wonderful spirits. You are very blessed. We will always think of Charmelieu fondly and look forward to seeing you again.

Au Revoir!!

Francoise & Michel,

Merci, merci, merci Beaucoup!!! Our week stay at Charmelieu has been a wonderful experience of kind and helpful people, beautiful country, and grand food and wine. Burgundy, Meursault and surrounding areas are truly magical places.

The Site was perfect, comfortable, and warm in all ways. Good luck with your wine production. Thank you, Michel, for the personal tasting. We will watch the Wine Spectator, and other wine guides, for announcements on your wine awards for your '05 vintage.

Dear Michel,

Merci beaucoup pour notre hospitalité exceptionnelle!
Votre maison est très confortable... Votre vin sans
tels excellent!

Please forgive our poor Français... you speak much
better English... by far!

We had a wonderful week here in the Côte d'Or
with Le Charmelieu as ~~our~~ our home. Meursault and the
other towns of the Côte de Beaune are charming
and wonderful to visit. We enjoyed many great wines
but none better than yours.

It was fun to correspond with Michael in the
United States and to meet you in France. You are a
very warm and gracious host... and your wines are
amazing! We hope to be able to have Michael ship
us some in California when we return.

Thank you for taking the time for the great tasting
experience and for your thoughtfulness as our host.

For those who may follow us as guests at
Le Charmelieu we enjoyed great meals at...

- Le Bouchon and Relais de la Diligence here in Meursault
- Restaurant Caveau des Arches in Beaune
- Le Charlemagne in Pernand-Vergelesse (This is a "dortoir"
for remarkable French-Asian fusion cuisine and
exceptional presentation and service! Beautiful for
lunch... without a reservation!)

Once again, merci beaucoup! We hope to return again
one day!

A bientôt,

Jerry and Sally Macy

Michel,

What to say? Even though we were here on a "buoman's holiday", this charming house became our home away from home. Every morning while the rest of the group went for heart thumping runs through the vineyard, I would go get an breakfast croissant, fresh fruit, baguette, etc. A cup of coffee, read the paper, then off to the vigneronns to taste all day.

The pinnacle, the "picu de resistance" was last night in the square, where they were celebrating Bastille Day. Fireworks, music, beer and dancing, all things French. We are tired this morning as we leave, but a good sort of exhaustion, one born of life well lived.

Thanks for tasting your wonderful wines, especially the Chaponnieres - verry verry good. We shall return!

Au Revoir!

To Françoise + Michel,

Thank-you for letting us stay in your wonderful house. It has been a fairy tale holiday for me. We had some lovely afternoons in Beaune and lovely evenings with us all.

Dear Françoise & Michel

Thank you for a very enjoyable week in your delightful Gîte. We would particularly like to thank you for your many explanations about wine and its manufacture, which has really opened up our eyes.

We wish you the very best for the coming harvest and hope that you have as nice a weather as we have.

Off to Maigny-sur-Loire.

To Michael & Michel,

I have been all that we hoped for,
a great house with wonderful hospitality.

I have enjoyed "wine country" much
as I had expected.

Michel was a fun & informative
tour guide. We touched every vineyard and
saw all the great ones. I stand in the
great vineyards of Monrochet is quite an
experience.

The tasting of your barrel wines leaves
me much to anticipate this fall.

The evenings in the house with
a loaf of fresh bread, great cheese and a
bottle or two of your wine is certainly a
lifestyle I could enjoy for more than a week.
